As you can see, if you haven’t done so already, you will need to download the brightwheel app in order to be able to effectively communicate with LSLC.

**Tuition Payment Options**

On Oct. 21, 2019 all parents that have an email on file received the November Tuition Statement, as well as a statement in their child’s file folder. Please stop by the front desk if you haven’t done so, to update your cell phone numbers and email addresses.

We have added additional payment options only available if you received an emailed invoice. You will now be able to pay with your checking/savings account with a 1% convenience fee of remitted amount and credit card payments will have a convenience fee of $35.00. These two options are not available on site at LSLC as this is an on-line option only.

Payments in the form of check and cash will still be accepted at the preschool via the tuition slot.

This on-line option is **NOT** through brightwheel. We will not be using the brightwheel billing as it is not compatible with our accounting program yet.

**Fine Arts Walk-About**

In October the 3 year old’s, Pre-K and TK had a Fine Arts Walk-About. They displayed their art projects and visited one another’s art galleries (aka..classrooms). Each art gallery exhibited a different artist that they learned about during the week, Room 119 Joan Miro, Room 105 Wassily Kandinsky, Room 107 Vincent Van Gogh, and Room 109 Pablo Picasso. During the walk-about the children were able to learn about the other artists.

Our next Walk-About will be in January during Multicultural Week. This time around the 2 year old preschool classrooms will be joining in.
